## Prayer for Government Leaders

God of power and might, wisdom and justice, through you authority is rightly administered, laws are enacted, and judgment is decreed. Assist with your spirit of counsel and fortitude the President and other government leaders of these United States.

May they always seek

the ways of righteousness, *justice* and mercy.

Grant that they may be enabled by your powerful protection

to lead our country with honesty and integrity.

We ask this through Christ our Lord.

Amen.

## The First Sunday of Lent ~ February 17 and 18, 2024

The gracious Season of Lent has come, and we are invited to be with Jesus in the desert to fight temptations. Forty days, Jesus experienced fierce temptations to choose between obeying His Father's Will or not. The devil was totally defeated when Jesus remained faithful to His Father to fulfill the Mission of Salvation. After the remarkable victory, Jesus publicly declared "The Kingdom of God is at hand. Repent and believe in the Gospel." The invitation is for a radical change of life to be obedient to God's Will. This Season of Lent is for those who believe in Christ to abandon the camp of the devil with its temptations and be in good relationship with God and His people. In this Lenten time, we are encouraged to emulate Jesus to pray, fast, and be concretely merciful to the needy both near and far.

~ Fr. Benjamin Koka, A.J.

### Traditions and Treasures

Long ago, the custom of sending some pieces of consecrated bread from the Lord's table began to take hold. Originally it was a way of assuring the sick and imprisoned of their bonds of faith and affection with the community from whom they were separated. By the third century, at least in Rome, we have evidence that the bishop would consign some of the sacred elements to presbyters or deacons.

There was a crisis in the unity of the church early on, called the quartodeciman controversy, since some people wanted to celebrate the Pasch on the fourteenth day (quartodecima) of the Jewish month Nissan, even if it didn't fall on a Sunday. The debate so fractured the church that the historian of the era, Eusebius, reported a new development to the pope. He wrote that the churches holding to the Lord's Day sent out consecrated bread to the disgruntled people of the quartodeciman pastors with whom they were quarreling. Meanwhile, bishops complained about people taking the Eucharist home. St. Cyprian told a cautionary tale of a sinful woman who tried to open the "casket" containing the consecrated bread in her home. She was deterred from receiving, he said, by flames erupting from the box. Clearly, he wanted people to think twice before bringing Communion home!

The Council of Nicaea defined the "old rule of the church" as allowing for reserving the eucharistic bread for the sake of the dying. The same council could foresee circumstances of persecution when people might have the Eucharist on hand to administer to one another in a time of great danger, literally, at the point of a sword. The first and enduring purpose for reserving the Eucharist is viaticum for the dying.

### Pro-Life Corner

#### The cleansing power of water

Today's first reading speaks to us of Noah's Ark. The flood that God sent upon the world in Noah's day was a cleansing of evil. Now, God cleanses us not by floods, but by the waters of baptism, which bring to us a whole new kind of life: the life of God within us.

Our special efforts in Lent to come closer to God are a response to what has already happened to us! Because we have received the new life of God, we have to reform our lives and live as his sons and daughters. We have to *become who we already are*. The holy water we use when we come in and out of Church is a reminder of the cleansing waters of baptism, and a reminder of the new life we are called to live.

God is a God of life, and therefore we are the People of Life. This Lent, let's look for ways to foster respect for life, especially the sick, the disabled, and the unborn. ~ [priestsforlife.org](http://priestsforlife.org)

Each Lent, Catholic families across the country unite to put their faith into action through prayer, fasting and almsgiving. Through CRS Rice Bowl, families learn about how our sisters and brothers across the globe overcome hardships like hunger and malnutrition

CRS Rice Bowl is one way Catholics can enhance their Lenten fasting practice by giving up meals and donating the cost of those meals to Catholic Relief Services in order to help those who do not have enough to eat.

Pick up your family's CRS Rice Bowl today from the table in the back of the church, and begin engaging your family in the daily pillars of Lent: Prayer, Fasting and Almsgiving.
